INDEPENDENT AUDITORS' REPORT

Report on the Standalone Financial Statements

TO THE MEMBERS OF DIALFORHEALTH UNITY LIMITED

We have audited the accompanying standalone financial statements of **DIALFORHEATH UNITY LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income),cash flows and the changes in equity of the Company in accordance with the accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidences about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial

statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the financial position, of the Company as at 31st March, 2017, and its financial performance (including other comprehensive income); and its cash flows and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The reports on the accounts of the branch office of the Company audited under Section 143 (8) of the Act by branch auditor have been sent to us and have been properly dealt with by us in preparing this report.
 - (d) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;

(f) On the basis of the written representations received from the directors as on 31st March 2017 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2017, from being appointed as a director in terms of section 164(2) of the Act.

- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in the standalone financial statements as regards its holding and dealings in Specified Bank Notes as defined in the Notification S.O. 3407(E) dated 8th November, 2016 of the Ministry of Finance, during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures performed and the representations provided to us by the management we report that the disclosures are in accordance with the books of account maintained by the Company and as produced to us by the Management.

"Annexure A" referred to in the Independent Auditors' Report of even date to the members of DIALFORHEALTH UNITY LIMITED on the Standalone Financial Statements for the year ended 31st March, 2017.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- 1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) Some of the fixed assets were physically verified during the year by the management in accordance with programme of verification, which in our opinion provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us no material discrepancies were noticed on such verification. In our opinion, the frequency of verification of the fixed assets is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) The Company does not hold any immovable property.
- 2. The Company does not deal in any inventory hence this clause of paragraph 3 of the order is not applicable to the company for the current period.
- 3. The Company has not granted any loans, secured or unsecured, to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013.
- 4. In our opinion and according to the information and explanations given to us, the Company has not given any loans, guarantees or security or made any investments to which provisions of section 185 and 186 of the Act is applicable, and accordingly paragraph 3 (iv) of the Order is not applicable to the Company.
- 5. The Company has not accepted any deposits from the Public within the meaning of the provisions of section 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Further, according to the information and explanations given to us, no order has been passed by the Company Law Board of National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal, in this regard.
- 6. In absence of any manufacturing activities carried out by the company, the requirement of maintenance of cost records under sub section 1 of section 148 of the Companies Act, 2013 are not applicable to the Company during the year under audit.
- 7. (a) According to the information and explanations given to us and on the basis/of our examination of the books of account, the company has been generally regularing

depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Service tax, Custom duty, Excise duty, Value added Tax, Cess and any other material statutory dues during the year with the appropriate authorities. Moreover, as at 31st March, 2017, there are no such undisputed dues payable for a period of more than six months from the date they became payable.

- According to the information and explanations given to us, there is no dues under dispute for Income tax, Sales tax, Excise duty and Service tax and other material statutory dues as at 31st March, 2017.
- According to the information and explanations given to us and on the basis of our 8. examination of the books of account, the Company has not defaulted in repayment of loans or borrowings from any financial institution, banks, government or due to debenture holders during the year.
- 9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments). The Company has not availed any term loans during the year.
- 10. According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- According to the information and explanations given to us and on the basis of our 11. examination of the books of account, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 (with schedule V) of the Act.
- 12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable to the Company.
- 13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- 14. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- According to the information and explanations given to us and based on our 15. examination of the records of the Company, the Company has not entered into non-

"Annexure B" to the Auditors' Report – March 31, 2017
Report on the Internal Financial Control clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the act")

We have audited the internal financial controls over financial reporting of **DIALFORHEALTH UNITY LIMITED** ("the company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial control based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India [ICAI]. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the act.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's Judgement, including the assessment of the material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- 1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- 2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- 3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material on the financial statements.

Inherent limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected, also, projections any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Dialforhealth Unity Limited

Note: 1-Company overview:

Dialforhealth Unity Limited was incorporated on June 23, 2005. The company's registered office is situated at Zydus Tower, Satellite Cross Roads, Ahmedabad. The company has not carried out any business activity during the year. These financial statements were authorised for issue in accordance with a resolution passed by the Board of Directors at their meeting held on May 25, 2017.

Note: 2-Significant Accounting Policies:

A The following note provides list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented unless otherwise stated.

1 Basis of preparation:

- ▲ The financial statements have been prepared in accordance with Indian Accounting Standards [Ind AS] notified under the Companies [Indian Accounting Standards] Rules, 2015, as amended and other relevant provisions of the Companies Act, 2013.
- **B** For all periods up to and including the year ended March 31, 2016, the Company has prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies [Accounts] Rules. 2014 [Indian GAAP].
 - The Company has adopted Ind AS as per Companies [Indian Accounting Standards] [Ind AS] Rules, 2015 as notified under section 133 of the Companies Act, 2013 for these Financial statements beginning April 1, 2016. As per the principles of Ind AS 101, the transition date to Ind AS is April 1, 2015 and hence the comparatives for the previous year ended March 31, 2016 and balances as on April 1, 2015 have been restated as per the principles of Ind AS, wherever deemed necessary. Reconciliations and descriptions of the effect of the transition from previous GAAP to Ind AS have been summarized in note 20 and note 21.
- C The financial statements have been prepared on historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:
 - i Certain financial assets and liabilities measured at fair value [refer accounting policy regarding financial instruments]

2 Use of Estimates:

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of income and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments are provided below. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

Critical estimates and judgments

a Income taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.

b Impairment of assets and investments:

Significant judgment is involved in determining the estimated future cash flows from the Investments, Property, Plant and Equipment and Goodwill to determine its value in use to assess whether there is any impairment in its carrying amount as reflected in the financials

3 Revenue Recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government and is shown net of returns, trade allowances, rebates, value added taxes and volume discounts.

4 Taxes on Income:

Tax expenses comprise of current and deferred tax.

A Current Tax:

- a Current tax is measured at the amount expected to be paid on the basis of reliefs and deductions available in accordance with the provisions of the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.
- b Current tax items are recognised in co-relation to the underlying transaction either in Statement of Profit and Loss, OCI or directly in equity.

B Deferred Tax:

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Dialforhealth Unity Limited

Note: 2-Significant Accounting Policies-Continued:

5 Property, Plant and Equipment:

- A Property, Plant and Equipment are stated at historical cost of acquisition/ construction less accumulated depreciation and impairment loss. Historical cost [Net of Input tax credit received/ receivable] includes related expenditure and pre-operative & project expenses for the period up to completion of construction/ assets are ready for its intended use, if the recognition criteria are met and the present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset, if the recognition criteria for a provision are met.
 - Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.
 - The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance costs are charged to the statement of profit and loss during the reporting period in which they are incurred, unless they meet the recognition criteria for capitalisation under Property, Plant and Equipment.
 - On transition to Ind AS, the Company has elected to continue with the carrying value of all its Property, Plant and Equipment recognised as at April 1, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, Plant and Equipment.
- **B** Depreciation on tangible assets is provided on "straight line method" based on the useful lives as prescribed under Schedule II of the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of Property, Plant and Equipment at each reporting period end and any revision to these is recognised prospectively in current and future periods.
- C Depreciation on impaired assets is calculated on its reduced value, if any, on a systematic basis over its remaining useful life.
- Depreciation on additions/ disposals of the fixed assets during the year is provided on pro-rata basis according to the period during which assets are used.
- E An item of Property, Plant and Equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset [calculated as the difference between the net disposal proceeds and the carrying amount of the asset] is included in the Statement of profit and loss when the asset is derecognised.

6 Borrowing Costs:

- A Borrowing costs consist of interest and other borrowing costs that are incurred in connection with the borrowing of funds. Other borrowing costs include ancillary charges at the time of acquisition of a financial liability, which is recognised as per EIR method.
- **B** Borrowing costs that are directly attributable to the acquisition/ construction of a qualifying asset are capitalised as part of the cost of such assets, up to the date the assets are ready for their intended use.

7 Impairment of Assets:

The Property, Plant and Equipment and Intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, the assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash inflows from other assets or groups of assets [cash generating units]. Non-financial assets other than Goodwill that suffered an impairment loss are reviewed for possible reversal of impairment at the end of each reporting period. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

8 Cash and Cash Equivalents:

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

9 Financial Instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A Financial Liabilities:

a Initial recognition and measurement:

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

b Subsequent measurement:

Subsequently all financial liabilities are measured as amortised cost except for loans and borrowings, as described below:

Loans and borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in Statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of profit and loss.

c Derecognition:

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of profit and loss.

B Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Dialforhealth Unity Limited

Note: 2-Significant Accounting Policies-Continued:

10 Fair Value Measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a In the principal market for the asset or liability, or
- b In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- a Level 1 Quoted [unadjusted] market prices in active markets for identical assets or liabilities
- b Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- c Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation [based on the lowest level input that is significant to the fair value measurement as a whole] at the end of each reporting period.

11 Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss [excluding other comprehensive income] for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a right issue, shares split and reserve share splits [consolidation of shares] that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss [excluding other comprehensive income] for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

B Standards issued but not yet effective:

In March 2017, the Ministry of Corporate Affairs issued the Companies [Indian Accounting Standards] [Amendments] Rules, 2017, notifying amendments to Ind AS 7 "Statement of cash flows" and Ind AS 102 "Share-based payment". These amendments are in accordance with the recent amendments made by International Accounting Standards Board [IASB] to IAS 7 "Statement of cash flows" and IFRS 2 "Share-based payment", respectively. The amendments are applicable to the Company from April 1, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirement.

The Company is evaluating the requirements of the amendment and its effect on the financial statements.

Amendment to Ind AS 102:

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash-settled awards and awards that include a net settlement feature in respect of withholding taxes.

It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity-settled awards. Market-based performance conditions and non-vesting conditions are reflected in the "fair values", but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share-based payment transaction are modified with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that include a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety. The cash payment to the tax authority is treated as if it was part of an equity settlement. This amendment does not apply to the Company.

Note: 18-Financial Instruments:

A Fair values hierarchy:

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices [unadjusted] in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Financial Assets:

The carrying amounts of other financial assets and cash and cash equivalents are considered to be the approximately equal to the fair values.

Financial Liabilities:

Fair values of loans, other financial liabilities and trade payables are considered to be approximately equal to the carrying values.

B Risk Management:

The Company's risk management is done in close co-ordination with the board of directors. The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options.

Dialforhealth Unity Limited Notes to the Financial Statements

Note: 19-Financial Risk Management:-Continued:

Maturities of financial liabilities:

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for all non-derivative financial liabilities. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

Note: 20- First Time Adoption of Ind AS:

The accounting policies set out in the note here have been applied in preparing the financial statements for the year ended March 31, 2017, the comparative information presented in these financial statements for the year ended March 31, 2016 and in the preparation of an opening Ind AS balance sheet at April 1, 2015 [the Company's date of transition].

In preparing its opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in financial statements prepared in accordance with the accounting standards notified under Companies [Accounting Standards] Rules, 2006 [as amended] and other relevant provisions of the Act [Indian GAAP]. An explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows is set out in the following notes.

Exemptions and exceptions availed:

Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

A Deemed cost:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for consequential impacts of applying standards other than that of property, plant and equipment. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying values.

B Estimates

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP [after adjustments to reflect any difference in accounting policies], unless there is objective evidence that those estimates were in error.

Ind AS estimates as at April 1, 2015 are consistent with the estimates as at the same date made in conformity with previous GAAP.

C Classification of financial assets:

As per the requirements of Ind AS 101 the Company has assessed classification of financial assets on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

D De-recognition of financial assets and liabilities:

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of entity's choosing; provided that the information needed to apply Ind AS 109 to financial assets or financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions. The Company has elected to apply the de-recognition provision of Ind AS 109 prospectively from the date of transition to Ind AS.

Chambers Chambers Nepru Nagar,

Dialforhealth Unity Limited Notes to the Financial Statements

Note: 21- Reconciliation with previous GAAP:

Equity:

The transition from IGAAP to Ind AS has not had any impact on the Equity.

Net loss after tax:

The transition from IGAAP to Ind AS has not had any impact on the net loss after tax.

Statement of Cash Flows:

The transition from IGAAP to Ind AS has not had a material impact on the statement of cash flows.

Note: 22

Though the accumulated loss exceeds the net worth of the company, the accounts are prepared on "going concern" basis in view of:

- a Continuous support extended by the Holding Company and
- b Long term strategic involvement of the Holding company in the present business activities of the company.
