INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Zydus Wellness (BD) Pvt Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Zydus Wellness (BD)** Pvt Limited which comprise the statement of financial position as at **March 31, 2024**, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view, in all material respects, of the financial position of the Company as at **March 31**, **2024**, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs), the companies Act 1994 and applicable laws and regulations.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethical Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with these requirements and IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises all of the information other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Ali Zahir Ashraf & Co.

Navana Zahura Square, Suite No-C/11, Level-11, 28 Kazi Nazrul Islam Avenue, Banglamotor, Dhaka-1000 Mobile: +88 01971-576090, Mail: jabir.mja@gmail.com, alizahirashrafco@gmail.com

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs, the companies Act 1994 and applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Ali Zahir Ashraf & Co.

Navana Zahura Square, Suite No-C/11, Level-11, 28 Kazi Nazrul Islam Avenue, Banglamotor, Dhaka-1000 Mobile: +88 01971-576090, Mail: jabir.mja@gmail.com, alizahirashrafco@gmail.com

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
 the disclosures, and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

Report on other Legal and Regulatory requirements

In accordance with the Companies Act 1994, we also report the following

- a) We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;
- c) The statement of financial position and statement of Income & other comprehensive income dealt with by the report are in agreement with the books of account; and
- d) The expenditure was incurred for the purpose of the company's business.
- e) The information and explanation required by us have been received and found satisfactory.

Zydus Wellness (BD) Pvt Limited

te: 1 - Company overview:

Zydus Wellness (BD) Pvt Limited (the "Company") is a company limited by shares. The Company was incorporated in Bangladesh on November 18, 2021 under the Company with husiness of Registrar of Joint Stock Companies & Firms, Bangladesh and the certificate of incorporation number is C-176352/2021. The Company operates as an integrated consumer Company with business of marketing and distribution of uniform and distribution and distribution of uniform and distribution a marketing and distribution of wellness products. These financial statements were authorised for issue in accordance with a resolution passed by Board of the Directors at its meeting held on May 11,

ote: 2 - Basis of Preparation:

1 Statement of compliance:

- A The financial statements have been prepared in accordance with recognition and measurement principles of International Financial Reporting Standards (IFRS) and as per requirements of
- the Companies Act 1994 and other applicable laws and regulations.

 The title and format of financial statements follow the requirements of IFRS which are to some extent different from the requirement of Companies Act 1994; however, such differences are not material and in the view of management, IFRS format gives a better presentation to its intended users. Furthermore, as the Company has limited user of financial statements certain disclosures required by IFRS are not provided.

2 Basis of measurement

These financial statements have been prepared on going concern basis under the historical cost convention. Accrual basis of accounting has been followed consistently in preparing the financial statements.

3 Functional and presentational currency

The financial statements are prepared and presented in Bangladesh Taka ("Taka"), which is the company's functional currency. All financial information presented has been rounded off to the nearest Taka except where indicated otherwise.

Use of estimates and judgements

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and the associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods

In particular, significant area of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amount recognized in the financial statements reflecting in calculation of deferred tax, current tax liabilities, intangible assets, inventories and Employee benefit obligations.

Compliance of local law

Books of accounts have been kept and the accounts have been prepared in compliance of the local Companies Act, 1994 and the Securities and Exchange Rules 1987.

Regulatory and legal compliance

The Company complied with requirement of the following regulatory and legal authorities:

The Companies Act, 1994;

The Labor law, 2006 with subsequent amendments in 2013;

The Income Tax Act, 2023;

The Value Added Tax and Supplementary Duty Act 2012;

Income Tax Rules, 2023;

VAT and supplementary Duty Rules, 2016.

6 Statement of cash flows

Statement of cash flows has been prepared in accordance with the IAS 7: Statement of cash flows under the indirect method.

The company has adequate resources to continue in operation for foreseeable future. For this reason the directors continued to adopt going concern basis in preparing the Financial Statements The current credit facilities and resources of the company provide sufficient fund to meet the present requirements of its existing businesses and operations.

Reporting period

The financial period of the company covers one year from 01 April to 31 March and is followed consistently.

Note: 3 - Significant accounting policies:

The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all the periods presented, unless otherwise stated.

1 Intangible assets

A Recognition and measurement

Intangible assets have finite useful lives and are stated at cost less accumulated amortisation and any impairment losses. Intangible assets are recognised in accordance with IAS 38 Intangible assets. Intangible assets include cost of acquisition of computer software and other costs incidental to such capital expenditure.

Subsequent costs

Subsequent costs are capitalised only when they increase the future economic benefits embodied in the specific asset to which they relate. All other costs are recognised in profit or loss as incurred.

C Amortisation

Amortisation is recognised in profit or loss on straight line basis over the estimated useful lives of intangible assets from the date they are available for use. Intangible asset (Computer Software) is amortised at the rate of 20% to 33%.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of intangible assets, measured as the difference between the net disposal proceeds and the carrying amount of the assets, are recognised in profit or loss.

2 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Non-derivative financial instruments of the Company comprise accounts and other receivables, cash and cash equivalents and payables and are shown at transaction cost.

The Company initially recognizes receivables and deposits on the date they are originated. All other financial assets are recognized initially on the date at which the Company becomes a party to the contractual provisions of the transaction.

The Company derecognizes a financial asset when the contractual rights or probabilities of receiving the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Financial assets include cash and cash equivalents, trade and other receivables.

(i) Cash and cash equivalents

Cash and cash equivalents include cash in hand, cash at banks which are held and available for use by the Company without any restriction except as otherwise disclosed.

(ii) Trade and other receivables

Trade and other receivables represent the amounts due from customers for delivering goods or rendering services. Trade and other receivables are initially recognized at cost which is trade and other receivables represent the amounts due from southern the fair value of the consideration given in return. After initial recognition these are carried at cost less impairment losses due to the uncollectible nature of any amount so recognized.

Financial Liabilities

Financial Liabilities

A financial liability is recognized when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the Company of Inancial liability is recognized when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the Company of A financial liability is recognized when its contracted conjugate financial liabilities on the transaction date at which the Company becomes a party to the contractual provisions of resources embodying economic benefits. The Company initially recognizes financial liabilities on the transaction date at which the Company becomes a party to the contractual provisions of The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expired.

Financial liabilities include trade and other payables, accrued expenses and loans and borrowings.

Loans and porrowings

Principal amounts of the loans and borrowings are stated at their amortized amount. Borrowings repayable after twelve months from reporting date are classified as non-current Principal amounts of the loans and pollowings are sales and classification reporting date, unpaid interest and other charges are classified as current liabilities, liabilities whereas the portion of borrowings repayable within twelve months from reporting date, unpaid interest and other charges are classified as current liabilities.

(ii) Trade and other payables

Trade and other payables

The Company recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the Company recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the Company recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the Company recognizes a financial liability when its contractual obligations arising from past events are certain and the settlement of which is expected to result in an outflow from the Company recognizes a financial liability when its contractual obligations arising from the Company recognizes a financial liability when its contractual obligations arising from the Company recognizes a financial liability when its contractual obligations arising from the Company recognizes a financial liability when its contractual obligations arising from the Company recognizes a financial liability when its contractual obligations arising from the Company recognizes a financial liability when its contractual obligations are contractual obligations. the entity of resources embodying economic benefits.

(iii) Advances, deposit and prepayments

Advances, deposit and prepayments

Advances are initially measured at cost. After initial recognition, advances are carried at cost less deductions, adjustment or changes to other accounts heads such as property, plant and equipment, inventory or expenses.

ge

8

Deposits are measured at payment value. perpayments are carried at cost less charges to profit or loss. Prepayments are initially measured at cost. After initial recognition,

*

Impairment

Financial assets

Financial assets are assessed at each reporting date to determine whether there is any objective evidence of impairment. Financial assets are impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset. loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

Objective evidence that financial assets are impaired can include that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably. Objective evidence that financial assets are impaired can include default or delinquency by a debtor, indications that a debtor or issuer will enter bankruptcy, etc.

An asset is impaired when its carrying amount exceeds its recoverable amount. The Company assesses yearly whether there is any indication that an asset or a Cash Generating Unit (CGU) may be impaired. If any such indication exists the Company assesses yearly whether there is any indication that an asset or a CGU is the higher of its fair. may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or CGU. The recoverable amount of an asset or a CGU is the higher of its fair value less costs to sell and its value in use Carrying amount of the value less costs to sell and its value in use. Carrying amount of the asset is reduced to its recoverable amount by recognizing an impairment loss, if and only if, the recoverable amount of the asset is less than its carrying amount. Impairment loss is account of the asset is reduced to its recoverable amount by recognizing an impairment loss, if and only if, the recoverable amount of the asset is less than its carrying amount. Impairment loss is recognized immediately in profit or loss, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset is

4 Inventories

Inventories includes stock-in-trade. Initially they are recognized at cost and subsequently at the lower of cost and net realizable value in accordance with IAS 2: Inventories. Cost is determined on Moving Average Method, and includes exceedibles in accordance with IAS 2: Inventories are valued at Moving Average Method, and includes expenditure incurred in acquiring the inventories and other costs incurred in bringing them to their existing location and condition. Inventories are valued at the lower of cost and net realizable value at the coordinate that the coordinate the lower of cost and net realizable value at the coordinate that the the lower of cost and net realizable value at the reporting date. Net realizable value is the estimated costs incurred in bringing them to their existing location and condition. The condition and the estimated costs necessary to make the cale.

5 Advances, deposits and prepayments

Advances are initially measured at cost. After initial recognition advances are carried at cost less deductions, adjustments or charges to other account heads such as property, plant and equipment or charges to other account heads such as property, plant and equipment or stock, etc. Refundable deposits are measured at initial transaction value. Prepayments are initially measured at cost. After initial recognition prepayments are carried at cost less charges and

6 Provision

A provision is recognized in the statement of financial position when the Company has a present legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of that obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingencies

Contingencies arising from claim, lawsuit, fines, penalties etc. are recorded when it is probable that a liability has been incurred and the amount can reasonably be measured.

8 Foreign currency translations and transactions

Transactions in foreign currencies are translated at the foreign exchange rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated to Bangladesh Taka at the foreign exchange rate ruling at that date. Foreign exchange differences arising on translation are recognized in the Statement of Comprehensive Income in accordance with IAS 21 "The effects of Changes in Foreign Currency Rates."

Revenue recognition

The Company has initially applied IFRS 15 Revenue from contracts with customers. The Company recognises as revenue the amount that reflects the consideration to which the Company expects to be entitled in exchange for goods or services when (or as) it transfers control to the customer. To achieve that core principle, IFRS 15 establishes a five-step model as follows:

- a. Identify the contract with a customer; b. Identify the performance obligations in the contract;
- c. Determine the transaction price;
- d. Allocate the transaction price to the performance obligations in the contract; and
- e. Recognise revenue when (or as) the entity satisfies a performance obligation

Considering the five steps model, the Company recognises revenue when (or as) the Company satisfies a performance obligation by transferring a promised good to a customer. Goods are considered as transferred when (or as) the customer obtains control of that goods. Revenue from sale of goods is measured at the fair value of the consideration received or receivable net of returns and allowances, trade discounts, rebates and Value Added Tax (VAT).

10 Finance income and expenses

Finance income mainly comprises interest income on loan given to other than related party.

Finance expense comprises interest expense on bank overdraft, short term loan, long term loan, commission and charges.

All interest income and expense are recognized as it accrues/occurs in profit or loss, using effective interest method.

11 Employee Benefits

Short term obligations

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under short-term cash bonus if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

Leave encashment

The Company operates unfunded leave encashment scheme, i.e. if its employees do not avail leave during their service, they will be entitled to encash privilege leave at the time of separation from the Company subject to maximum 60 days, at the rate of one month's Gross pay for 30 days of privilege leave. This scheme is qualified as other long term employee

The Company's net obligation in respect of leave encashment scheme is the amount of future benefit that employees have earned in return for their service in the current and prior year and the calculation is performed annually by a qualified actuary.

Defined Benefit Plans

Gratuity:

The Company operates an unfunded gratuity scheme, provision in respect of which is made annually covering all its eligible employees. This scheme is qualified as defined benefit plan. The calculation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a benefit to the Company, the recognised asset is limited to the total of any unrecognised past service costs and the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. When the benefits of the plan are improved, the portion of the the average period until the benefits become vested. To the extent that the benefits vest immediately, the expense increased benefit related to past service by employees is recognised in profit and loss on a straight line basis over actuarial gains and losses, are recognised immediately in other comprehensive income. Relevant tax impacts of such remeasurements are also recognised under other comprehensive income.

12 Income tax

Income tax expense comprises current and deferred tax. Current tax and deferred tax are recognised in profit or loss except to the extent that it relates to a business combination, or items recognised directly in equity or in other comprehensive income.

A Current tax

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted by the reporting date.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

A deferred tax asset is recognised for unused tax losses, tax credits and deductible temporary differences, to the extent that it is probable that future taxable profits will be available against A deterred tax asset is recognised for unused tax losses, and cleaned at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised. Which they can be utilised. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

13 Earning per share

Earning per share
The Company presents basic earnings per share (EPS) data for its ordinary shares. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the

weighted average number of ordinary shares outstanding during the year.

weighted average number of ordinary shares outstanding during die year.

Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, for the effects of all Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, for the effects of all Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, for the effects of all unuted earnings per share is determined by adjusting the profit of loss accusable to these financial statements as there was no dilutive potential ordinary shares during the relevant years.

b. Details relating to persons referred to in Note 28-A [e] above:

(i) Salaries and other employee benefits

ote: 29 - Financial instruments:

(i) Fair values hierarchy:

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data relying as little level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data relying as little Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

(ii) Fair value of instruments measured at amortised cost:

and liabilities measured at amortised cost for which fair values are disclosed.

Financial assets: The carrying amounts of other financial assets [other than derivatives], loans, cash and cash equivalents are considered to be the approximately equal to the fair values.

Financial liabilities: The carrying amounts of other financial liabilities and trade payables are considered to be approximately equal to the fair values. Financial assets and liabilities measured at amortised cost for which fair values are disclosed.
