SAP Ariba 

Welcome to Ariba Network Light Account

Thank you for registering for an Ariba Network light account. Here is some information to get you started.

Your Account Information

| | |
|---------------------|--------------------------------|
| Company name | New25-7 |
| Administrator email | amresh.g.kumar@accenture.com |
| Ariba Network ID | AN01056223630-T |
| Username | amresh.g.kumar88@accenture.com |

Signing in

To sign in to your account, go to [Ariba.com](https://supplier.ariba.com).

Use the username and password that you created (your password is encrypted, so we cannot show it here.)

Supplier has to click here to login

Things you can do

When you sign in to Ariba Network, you can:

- Respond to any number of emailed orders.
- View up to 20 orders on the home page.
- Get limited access to features that your buyer supports, like order confirmations and ship notices.
- Check invoice status and create non-PO invoices, if your buyer supports them.
- Set up your company profile to attract potential customers.
- Submit technical questions online.
- Create user accounts.

Upon activation a mail is sent to the supplier on the registered email address by SAP Ariba

The mail also mentions the Ariba Network ID, this ID is unique for every supplier.

Supplier after creating the account via the link given in the Zydus website can login directly from – <https://supplier.ariba.com>

NOTE: This URL is only valid for 30 days. Make sure to register on the Ariba Commerce Cloud before the link expires. After you register on the Ariba Commerce Cloud, you can no longer use this link.

Thank you,
Ariba, Inc. Administrator

The Supplier gets an invitation from the buyer to register on the Ariba Commerce Cloud

The Supplier can *“Click Here”* or *login directly to the website.*

Signing Up for Ariba Commerce Cloud

The screenshot shows the Ariba Sourcing interface for a supplier. The header includes 'Ariba Sourcing' and 'Help Center'. The main content area is titled 'Welcome, Amresh Supplier' and contains a yellow banner with a 'Have a question?' link. Below this, there are two main paths: 'New to the Ariba Network?' with a 'Sign up to register your user account' button and 'Already have an account?' with a 'Log in' button. A callout box points to the 'Sign up' button with the text: 'The new supplier has to then click on sign up and enter the details'. Another callout box points to the 'Log in' button with the text: 'If you already have an account with Ariba Network please log in here'. The right sidebar contains a 'Help Center' with a search bar and a list of articles including 'Supplier Basics (3:00)', 'Can my company have multiple accounts?', 'How to register as a supplier on Ariba Network', 'Can't log in? Let us help you!', 'Overview of Ariba Network (4:07)', 'Introduction to Ariba Network', and 'What are some common issues when registering an account?'. At the bottom of the sidebar are links for 'Documentation' and 'Support'.

The supplier is directed to this screen once he/she clicks on the website link sent by the buyer

Accepting the request to register in Ariba

Ariba Sourcing

A prompt appears asking if you want to continue and register

New Supplier Registration

You are about to register and become the administrator for a new supplier account. The supplier account you are about to register has a different email domain than your company's email address, info@ARTOPRINT.com. Are you sure you want to create and become the account administrator for a supplier account with a different email domain than your company's email address?
