

Hon'ble Prime Minister of India, Shri Narendra Modiji's inspiring presence at the Zydus Biotech Park

Ahmedabad, India, November 28, 2020

We were extremely privileged to have the Hon'ble Prime Minister of India, Shri Narendra Modiji at our Zydus Biotech Park today on the 28th of November 2020. Hon'ble Prime Minister's leadership vision, in-depth understanding and knowledge of the facts guided us in facilitating the interactions and discussions on the vaccines and therapeutics for COVID-19. His inspiring presence will motivate us to scale greater heights in our quest to bridge unmet healthcare needs. The Zydus family comprising 25000 Zydans, stands committed to the Atma Nirbhar Bharat mission and offering the nation safe and efficacious vaccines, therapeutics and diagnostics to fight COVID-19.

About Zydus

Zydus Cadila is an innovative, global pharmaceutical company that discovers, develops, manufactures and markets a broad range of healthcare therapies, including small molecule drugs, biologic therapeutics and vaccines. The group employs nearly 25,000 people worldwide, including 1,400 scientists engaged in R & D, and is dedicated to creating healthier communities globally. www.zyduscadila.com
