

Zydus receives final approval from the USFDA for Mirtazapine Orally Disintegrating Tablets USP

Ahmedabad, 5 June 2017

Zydus Cadila has received the final approval from the USFDA to market Mirtazapine Orally Disintegrating Tablets USP in strengths of 15 mg, 30 mg & 45 mg.

The drug is an anti-depressant and will be produced at the group's formulations manufacturing facility at Baddi.

The group now has more than 115 approvals and has so far filed over 300 ANDAs since the commencement of the filing process in FY 2003-04.
