Description and Rationale for the Scheme

The Scheme provides for transfer and vesting of the India Human Formulations Undertaking of the Transferor Company with effect from the Appointed Date, as a going concern, on Slump Sale basis, and for which a lump sum cash consideration shall be paid by the Transferee Company to the Transferor Company, in accordance with Section 2 (42C) of the IT Act and for matters consequential, incidental, supplemental and/or otherwise integrally connected therewith. The proposal is to be implemented in terms of the Scheme under Sections 230 - 232 of the Act.
20. The rationale for the Scheme is as under:

It is desired to consolidate the business of marketing and selling of human formulations in India (which does not include the SBU Biologics Business) of Zydus Group within the Transferee Company. In this regard, one of the group companies, namely, the erstwhile Zydus Healthcare Limited merged into German Remedies Limited (the name of German Remedies Limited was changed to Zydus Healthcare Limited, the Transferee Company). Further, it is also contemplated to amalgamate Biochem Pharmaceutical Industries Limited, a wholly owned subsidiary of the Transferor Company, carrying on the business of manufacturing, marketing and selling of human formulations primarily in India, with the Transferee Company and that necessary process for seeking sanction of the scheme of amalgamation of Biochem Pharmaceutical Industries Limited with the Transferee Company has been initiated, which is presently pending before this Hon'ble Tribunal.

As a part of the aforesaid consolidation, it is proposed to transfer the India Human Formulations Undertaking of the Transferor Company to the Transferee Company which would, inter alia, bring more focused and concentrated efforts by management to grow the respective operations of both the companies which would be in the best interest of the stakeholders.

This report is intended only for the sole use of CHL and ZHL in connection with the Draft Scheme including for the purpose of obtaining judicial and regulatory approvals for the Scheme.

4. Sources of Information

We have relied on the following information in issuing this fairness opinion for the purpose of the arrangement:

- Draft Scheme under Section 391 to 394 of the Companies Act, 1956;
- Copy of Memorandum and Article of Association of CHL
- Shareholding pattern of CHL as on March 31, 2016 respectively.
- Audited financial statement of the Company for the years ending March 31, 2016, March 31, 2015 and March 31, 2014 respectively.
- Valuation report dated November 16, 2016 issued by M/s. BSR & Associates LLP
- Such other information, documents, data, reports, discussions and verbal & written explanations from CHL and ZHL as well as advisors for the proposed Scheme, public domain websites, as were considered relevant for the purpose of the Fairness Opinion.

5. Key Facts from the Valuation Report:

The block contains a handwritten signature in black ink, which appears to be 'Sumit', written over a circular stamp. The stamp is black and white, with the text 'BSR & ASSOCIATES LLP' around the perimeter and a central emblem.

- a. The valuation of the India Human Formulations Undertaking of CHL has been conducted by the NAV method.
- b. For arriving at NAV, BSR & Associates LLP has relied on the carved out unaudited statement of assets and liabilities as on 31 March 2016 of the India Human Formulations Undertaking. The carved out statement has been provided as a representation by the Management of CHL, the Transferor Company.
- c. Since the India Human Formulations Undertaking proposed to be transferred to ZHL, a wholly owned subsidiary, as a slump sale, the valuation of the business using NAV is considered reasonable as it would not make substantial impact on the financials of CHL, the Transferor Company.
- d. BSR & Associates LLP has arrived at the NAV of Rs.693million as value of the India Human Formulations Undertaking. (*Valuation sheet at Annexure I*).
